

Why should you come and learn English with Ichi's English Conversation School?

The reasons are clear...

...we are the only school in Niigata Prefecture which offers the Callan Method – a fun, quick way to learn English. This method, with help from your teacher, gives you the opportunity to speak a lot in a small class – something which doesn't happen in other schools. Speak with your teacher, learn new words and improve your English with confidence.

This method also means that you don't have to do any homework! You can learn English in a supportive environment with experienced teachers and not worry about deadlines or stress.

...learn with a native speaker! Now you don't need to go abroad to speak to a native speaker – you have one in Nagaoka! After teaching for several years in Europe, I want to bring my experience here, to you. Come on – take advantage of this unique opportunity!

...we also offer other courses and lectures – find out how to write a business email, learn about the British Royal Family or English football, or what to say when travelling abroad.

...and what's more – if you sign up in July or August you will receive a special 50% discount off the joining fee!

Call today (in Japanese of course!) on 0258-89-6701 or 080-6758-2723, email [office.ichimura@gmail.com](mailto:office.ichimura@gmail.com), or visit the school at 1-3-42 Sanwa for more details and to arrange your free English Proficiency Assessment.

I look forward to teaching you English!

See you soon!
